

# NACRO MECHANICS PROGRAMMES 2009/10

From September Nacro will be delivering a brand new framework of motor vehicle engineering qualifications and Functional Skills based around the upcoming **Foundation Learning Tier** programme.

Targeted at young people who prefer hands on, practical learning these qualifications are designed to offer a personalised training package to each student, support their English, Mathematics and ICT skills and prepare them for progression into sustainable employment or an apprenticeship.

Drawing on years of experience of working with the particular learning and behavioural needs of young people at Key Stage 4 we are able to offer a disciplined and safe working environment that brings the best out of your students.

Listed below are the new qualifications and the Achievement & Attainment Table points they attract for the school:

Qualification Title	Leaning Aim Reference	Assessment Method	A & A Points
ABC Level 1 Award in Motor Vehicle Studies	50042427	Portfolio	25
ABC Level 1 Certificate in Motor Vehicle Studies	50042208	Portfolio	75
City & Guilds Functional Skills English Level 1	50026884	Task Based	12.5
City & Guilds Functional Skills Mathematics Level 1	50024139	Task Based	12.5
City & Guilds Functional Skills ICT Level 1	50026914	Task Based	12.5
RSPH Level 2 Award in Health and Safety in the Workplace	50041447	Exam	11.5

## Information for Schools (See the [leedspathways.org.uk](http://leedspathways.org.uk) for full details)

- Nacro is an Education Leeds Approved Provider for off site learning
- Courses start in September but are open to new starts throughout the school year
- Costs: Session costs are in line with Dedicated Schools Grant funding and work on a sliding scale; more sessions booked reduces the cost
- There are no entry requirements, a strong interest in a career in the motor trade is essential

If you require any further information, wish to arrange a taster day or want to book places please contact the Course Leader **Ian Hill**.
